

Adobe Premiere Pro CS6

The screenshot displays the Adobe Premiere Pro CS6 interface for a project named "Tattoo Shop Opens". The main workspace is divided into two preview monitors. The left monitor shows a live-action scene of a band performing outdoors, with a timecode of 00:00:29:10. The right monitor shows a woman sitting in a wicker chair reading a document, with a timecode of 00:00:12:25. Below the preview monitors is a multi-track timeline for the "Tattoo Shop" sequence, showing video and audio tracks with various clips and their durations. The Project Panel on the left contains eight video and audio assets, including "Tattoo Shop Holly the Ow...", "Tattoo Shop Audio.avi", "Tattoo Shop broil.avi", "Tattoo Shop Exterior Shot...", "Tattoo Shop Gal and g...", and "Tattoo Shop People ge...". The Windows taskbar at the bottom shows the system clock as 4:19 PM on 10/22/2013.

PANELS

The image displays the Adobe Premiere Pro software interface, divided into several key panels:

- Source Panel:** Located on the top left, it shows a video source titled "Tattoo Shop Band playing.avi". The preview window displays two men playing bass guitars outdoors. The timecode is 00:00:29:10.
- Program Monitor:** Located on the top right, it shows the current program output titled "Program: Tattoo Shop". The preview window displays a woman sitting in a wicker chair reading a document. The timecode is 00:00:12:25.
- Project Panel:** Located on the bottom left, it shows a grid of video and audio assets from the project "Tattoo Shop Opens .prproj". Assets include "Tattoo Shop Holly the Ow...", "Tattoo Shop Audio.avi", "Tattoo Shop broll.avi", "Tattoo Shop Exterior Shot...", "Tattoo Shop Gal and g...", and "Tattoo Shop People ge...".
- Timeline:** Located on the bottom right, it shows the multi-track editing area. Tracks include Video 3, Video 2, Video 1, Audio 1, Audio 2, Audio 3, and Master. Video tracks contain clips like "Tattoo Shop Ex", "Tattoo Shop b", and "Tattoo Shop br". Audio tracks contain "Tattoo Shop Audio.avi [A]". The current timecode is 00:00:12:25.

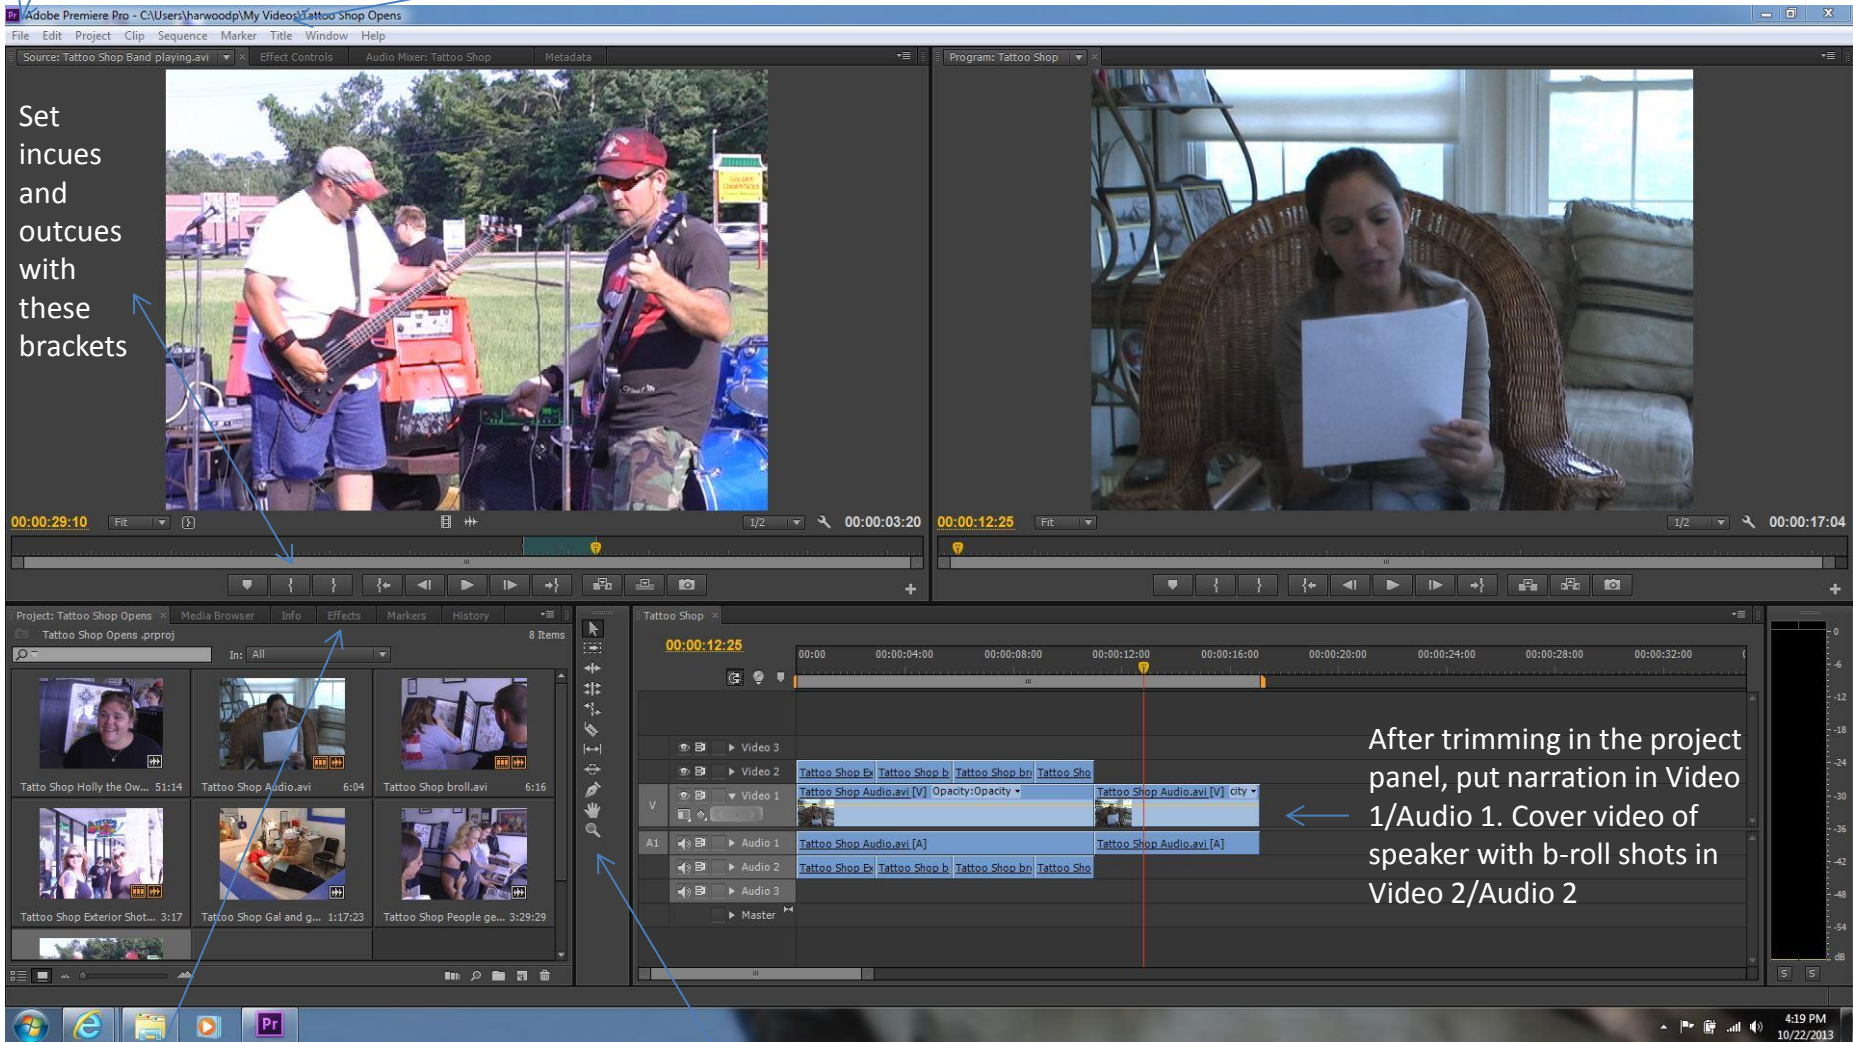

The interface also shows the standard Windows taskbar at the bottom with icons for Internet Explorer, File Explorer, and Premiere Pro, along with the system clock showing 4:19 PM on 10/22/2013.

Importing Video, Photos, Music/Editing

File: Import clips, Export final video, Save as

Title: Create "supers"

Set incues and outcues with these brackets
