**Hi I'm Patrick Harwood for C-of-C  
Scene. He is one of the College of  
Charleston's most visible and most  
popular professors. Political science  
professor Bill Moore...you may have seen  
him on local T-V during elections as an  
expert analyst. You may have heard his  
voice at Cougar basketball games where  
he is the longtime public address  
announcer. Around campus he is one of  
the best liked and most respected  
professors. Here's this week's Campus  
Conversation with the man  
himself...Professor Bill Moore...**

**Interview: 3:00**

**In: What better place...**

**Out: thanks Professor Moore**

**Bill Moore says he doesn't get paid a  
nickel to do P-A at basketball games.  
He just asks that someone bring him a  
soft drink at halftime. For Campus  
Conversation, I'm Patrick Harwood.**
