### **6.1.5**

#### **Tobacco-Free Campus Policy**

**Policy Adoption Date:** October 18, 2013

**Policy Implementation Date:** July 1, 2014

#### **1.0 PREFACE**

It is the intent of this Tobacco-Free Campus Policy to promote a safe, clean, and healthy environment for College of Charleston (hereafter, "College") employees, students, visitors, and guests. The Policy shall promote the existence of a tobacco-free environment for our campus community, so that the negative effects of tobacco use are minimized for community members.<sup>1</sup>

Reasonable and ongoing efforts shall be made to alert the campus community, including visitors to campus, regarding the status of the College as a tobacco-free campus. Appropriate signage on campus shall describe the Policy.

Effective implementation of this policy depends on the courtesy, cooperation, and respect of all members of the campus community.

#### **2.0 DEFINITION**

Except as otherwise specified in this Policy, "tobacco products" include, but are not limited to, cigarettes; cigars; pipes; chewing tobacco; snuff; electronic cigarettes<sup>2</sup>; water pipes (hookahs); bidis; kreteks; and all other technologies or devices allowing for the ingestion, combustion, inhalation, or other use of tobacco.

---

<sup>1</sup> Effective October 21, 2013, and until December 31, 2015, and as resources permit, the College shall provide cessation programs for all members of the campus community who wish to end their use of tobacco products. Additional information on tobacco cessation programs is available from the South Carolina Department of Health and Environment Control (DHEC) at (803) 545-4467 and at <http://www.scdhec.gov/health/chcdp/tobacco/quit-for-keeps/index.htm>.

<sup>2</sup> Electronic cigarettes use liquid nicotine, which is derived from tobacco plants. Testing by the Food and Drug Administration has found known carcinogens and toxic chemicals in some of the nicotine cartridges for two leading brands of electronic cigarettes.
